## Sponsor a Piece

The Loveland Orchestra's upcoming season, "A Game of Cards," will feature great works centered around the theme of a season long card game, as well as some of the best loved works from throughout musical history. Is your favorite on the list? If so, become a part of the orchestra forever! By sponsoring a piece, you ensure that the orchestra will be able to continue performing high quality music. In addition, any time the piece you sponsor is performed in the future, your name will appear in the program, as well as the name of anyone you choose to dedicate your donation to (in honor/memory of).

Music purchase is the orchestra's single largest expense. Please help us continue our mission of providing high-quality orchestral performances to the Northern Colorado community.
